

SAE Flank Drive® Combination Wrench Set

10 pc 12-Point (5/16" and 3/8-7/8")

OEX710

11 pc 6-Point (3/8-1")

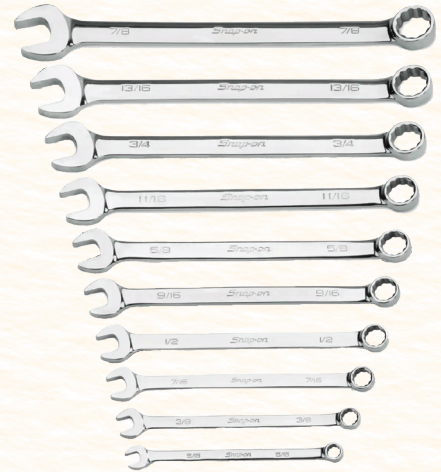

OSH711B

7 pc 12-Point (3/8-3/4")

OEX707B

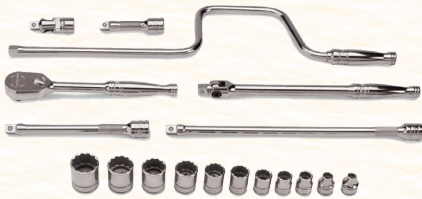

4 pc 12-Point (15/16-1 1/8")

OEX704B

The Flank Drive® system grips the fastener flats and provides 15–20% more turning power. Manufactured from special alloy steel, precision forged and heat treatment provides a superior wrench with the proper strength and durability to reduce wear and breakage. Longer handles provide increased leverage and greater access to those hard-to-reach areas. Sized for optimum comfort and balance in your hand. Tough, durable, nickel-chrome plating produces a mirror-like finish that helps protect against corrosion and makes it easy to wipe the wrenches clean

18 pc 3/8" Drive 12-Point General Service Socket Set

218AFP

Includes (18) tools (1/4–7/8"), Dual 80® Technology Standard Handle Ratchet, Speeder, Breaker Bar, Universal Joint and 3, 6 and 11" Knurled Extensions

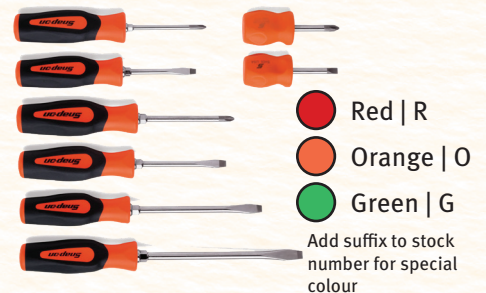

18 pc 3/8" Drive 12-Point General Service Socket Set

CYCLESET

Services most US-manufactured motorcycles from battery service, cable and clutch adjustments, to gas tank and seat removal—covers roadside maintenance and emergency repairs

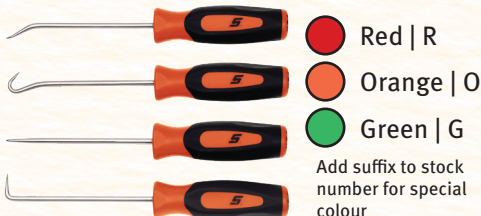

8 pc Instinct® Hard Grip Combination Screwdriver Set

SHDX800

(5) Flat tip, plus (3) PHILLIPS® tip drivers in a storage tray

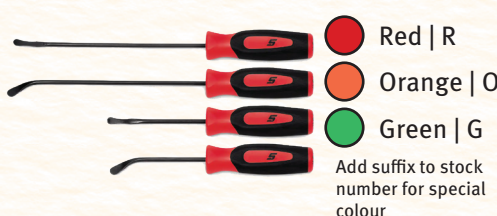

4 pc Instinct® Soft Grip Miniature Pick Set

SGASA204CO

Comfortable, nonslip Instinct® handle. Strong special steel blades for lasting performance. High polish finish. Can be used for scribing, alignment, O-ring removal, piercing holes in leather or fabric, and cleaning services

4 pc Instinct® Soft Grip Seal Removal Tool Set

SGSR104AR

Rounded tip with blended radius edge allows easy removal of seals or O-rings while reducing chance of damage to seal or finished surface. (2) tip configurations and (2) blade lengths handle most seal removal situations. Industrial black finish blades

Pocket Screwdriver with Reversible Bits

SDDDM1AR

Handy pocket clip adds convenience, keep a pocket screwdriver within arms' reach at all times. Slim-profile classic handle for easy storage in pocket or glove box. Built-in magnet helps retain reversible bit so that it is always available when you need it

40" Seven-Drawer Single Bank Heritage Series Roll Cab

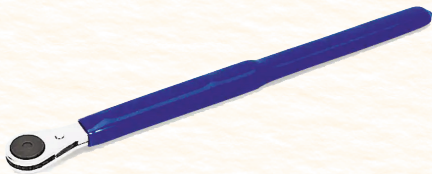

Electric Orange
KRA4107FPJK

Red
KRA4107FPBO

- Double slides on top wide drawer for 250 lb capacity
- 125 lb ball bearing slides for smooth drawer operations under load
- 6 x 2" soft monprene casters for better handling over bumps and obstacles
- Round key lock for higher security
- Factory installed aluminum trim for professional appearance
- Powder coated paint finish with scratch resistant paint formula

Ratcheting Hex Wrench

HD6529

Reversible ratchet lever is conveniently located for one-hand operation. Low-profile design for extra clearance between the frame and engine. Comfortable rubber grip will not scratch chrome. 9-3/4" overall length for additional reach. 1/4" hex drive, 3/16" hex bit for Harley-Davidson® Evolution® motor rocker box cover bolts.

Neck Bearing Adjustment Tool

NBAT1

For neck bearing adjustment on Harley-Davidson® motorcycles. Easily maneuvers between the triple clamp and frame. Fits into the star adjustment nut, allowing technician to adjust the neck bearing play. Tapered end allows easy access to the neck bearing adjusting star. Screwdriver-style handle offers a comfortable grip.

Fuel Tank Lock Ring Tool Harley-Davidson®

HFTLRT

Allow access to the fuel filter and fuel pump as the lock ring is connected to the pump. Made of durable ABS plastic (competitive products are metal and can scratch the painted surface of the motorcycle)

Motorcycle Gas Tank Cover

KAC1224TCA

Fits Harley-Davidson® Dyna®, Softail® and Touring models, various models of Yamaha®, Victory®, Triumph® and Kawasaki® motorcycles, plus many more. Non-marring cover uses a non-abrasive inner liner that will not slide off.

Motorcycle Compression Gauge Set

EEPV503

Tests motorcycles and recreational vehicles with hard-to-access spark plug ports. 2-3/4" dia., 300 PSI gauge assembly has superior accuracy, pressure release button and 24" flexible hose with quick coupler. Includes EEPV5G10L, EEPV5G12L and EEPV5G14L compression gauge adaptors
